v These dishes are made from ingredients that do not contain meat or fish. However we do not have a dedicated preparation or cooking area for vegetarian food. If you suffer from a food allergy or intolerance, please speak to our staff about the ingredients in your meal when making your order.

Every care is taken to avoid any cross contamination when processing a specific allergen free order. We do however work in a kitchen that processes allergenic ingredients and does not have a specific allergen free zone or separate dedicated fryers.

Dishes may contain nut/nut derivatives. Our prices include vat at the current rate. A discretionary service charge of 10% will be added to tables of 6 or more.
